

Stay home when sick

Anyone who is unwell should not be at a school.

Please work with us to help protect our community. If your child is unwell then we ask you to NOT send them to school. Any students with symptoms of a common cold or flu - cough, runny nose, sore throat, high temperature will have home contacted and be asked to stay home if they present at school. Please help do your bit to protect others.

If you are concerned about yours or anyone in your families health please call Healthline free on 0800 358 5453

Protect yourself against
coronavirus

- Cover your mouth and nose with a tissue when you cough or sneeze**
- Put your used tissue in the rubbish bin or in a plastic bag**
- Wash and dry your hands often, especially after coughing or sneezing – use soap**
- Stay away from others if you're sick**
